

Hello OSA members!

FYI ... This morning Lisa Hildreth (Girl Scout Troop #1220 leader) driving to her office at Camp Pendleton must of course drive through the main gate and the armed guard stations.

She gave 4 boxes of “cookies” to the Marines... and was met with much “appreciation” ... with many more “donated boxes of cookies” to be handed out to many more lower ranking EM’s ... that can really appreciate the “gift” by Lisa & OSA!

Thanks again to all OSA members that supported our first “partnered” Girl Scout cookie sales event!

Total sales over the past weekend were more than \$1000 ... that really helps support the Girl Scouts many activities... very well done OSA!

Have a good week ALL & remain safe & well!
