# HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Unfortunately, we had to cancel our June 2 five-day charter due to weather. We are now ready to change gears and start our tuna season.

We still have a few charters here coming up that need help in getting filled. Our first half-day charter will be on July 26. The cost is \$63 and there are three open spots. This half-day charter will target Calicos for the day. Please contact Charter Master Deek Takacs at (949) 456-1166. Then to finish off the month of July, we will have our overnigher on July 29 & 30. The cost is \$385 with meals and visa included – there is one spot left. Please contact Charter Master Bill Modi at (760) 580-3254. July's overnigher was originally scheduled for the Coronado Islands, which requires us to bring our passports. If the tuna and/or yellowtail are within striking distance of the charter, then we will go to them. If they are not close, the Captain said we could go to San Clemente Island and skip the Coronado Islands. Each Angler would then be refunded the visa fee. So please, I'm asking for your help in getting these charters filled. Please ask your friends, neighbors and family members. I know with your help we can get these charters filled.

We also need to work at filling our August charters. We have two,  $\frac{3}{4}$ -day charters; two full-day charters, and a two and a half-day charter. Please note that the August 16 charter is designated "Youth," meaning with that charter, we may bring our nephews, nieces, and grandchildren, especially those under the age of 18. So please, let's get our charters filled and get out and enjoy the sport of FISHING!

If you ever have a hard time contacting a Charter Master to get on a charter, please feel free to contact me and I will assist you in any way that I can. Remember, you can see how many spots are open per charter on our website under *Fish'n News*. I update the schedule at least twice a month.

If you have any questions, please feel free to call or email me any time. Now let's all go fishing and have a great time!

## **Anglers-4-Scouts News:**

Hello & just a quick brief on how the morning went at The Boy Scouts of America Camp ... Fiesta Island!

First ... a BIG shout out and THANK YOU to Hal Reeser & Peter Rohrich for their time and efforts repairing, fixing, and maintaining all the fishing gear that we at OSAF have donated to the BSA Fiesta Island Scout Camp!

Over 2000 Scouts will go through Fiesta Island this summer ...and they are very appreciative for all the help and things we do at OSA ... for their Summer FUN Fishing Program.

Hal did all the repairing and lubricating of all 25 Penn Salt Water spinning reels ... plus new 15-lb. mono! Peter is the Master at repairing and cleaning up all the Penn Salt Water spinning poles! So...Thank You BOTH!

They are of the Fiesta Island Staff / a morning Flag folding class / Hal's knot tying class, etc.... a good time was had by ALL! Photos may be seen on our website on the OSAF tab.
