

OCEANSIDE SENIOR ANGLERS

Fish Tales March 2021

Editor Loretta Casapulla

Hello fellow Members,

I first would like to say “Thank You” to the many e-mails, text, phone calls and cards that I and my siblings received from the passing of our father. It was truly helpful and uplifting, thank you.

Again, we had a good turnout for our ZOOM February club meeting. Please remember that our next meeting is on Tuesday, March 2, 2021 at 9:00 AM. Use the same log in information as last time. You should be able to click the link below. If not, then copy and paste to your browser. If you did attend the last meeting, you may want to try logging on now and getting the information set on your computer. Please make sure that your room has light so that we can see you on the screen. You should join the meeting with “Audio” and “Video”.

Our Membership Director, Frank Moton, has been working very hard at getting our 2021 directory put together. We are still gaining some members that weren't signed up for the last couple of years and have returned. Our Program Director, Peter Rohrich, is working hard at getting guest speakers for our Zoom meetings. Also, we have our charters going out. Now all we need is our Social events to kick back in.

Speaking of the directory, we, your board, ask that you please support those businesses that have placed an ad in your directory. Each month we will be placing an ad or two in the newsletter to help our sponsors as well. Our first ad is Ken's Reels. Ken is offering club members a 2 for 1 servicing on your reels. This offer is good only until the end of March. Now is the time to get your reels serviced.

If you have any comments, suggestions or concerns, please feel free to call or e-mail me. Hope to see you at our zoom meeting March 2nd. Please be careful & stay safe.

Fellow Anglers,

We have completed our first charter for the 2021 year. This was a full day charter that went with 16 Anglers aboard the Relentless down to the Coronado Islands. I would like to extend a thank you to Charter Master Kelly Kissinger for a job well done. The weather was pretty good for us; in the morning it was great, sunshine and somewhat flat seas. By noon the wind started kicking up and so did the seas, still it was manageable to fish. Our catch consisted of 63 Vermilions (Reds), 28 Boccaccio (Salmon Grouper) and 37 various other Rock Fish giving us a total of 128 Rock Fish. There was one Lingcod caught and was released. Our jackpot was won with a 6 pound Vermillion by a guest, Bob Kahle, who donated \$25 of his winnings to the Anglers 4 Military program, thank you Bob. As always, Captain Mikey and his crew of the Relentless did an outstanding job for our club! You may check out the full charter report and photos on our website. Osanglers.org

Our next charter March 2, 3 & 4 is set to go, it's a 1.5 day charter out to the Cortes bank area. We have one spot that a member needs to be replaced. So, if you or someone that you know wants to go please call Jim at 760-450-7060.

Our April 26, 27 & 28 charter is in need of Anglers. This is a 1.5 day charter set for San Clemente Island. The cost is \$300, meals included. As usual this charter is limited to 16 Anglers. Please call Kelly at 760-803-9752. Also, we have changed the May charter to a 1.5 day. Its May 10, 11 & 12, also 16 Anglers with the cost of \$300 meals included. Please call Charter Master Daryl Evans at 951-551-7885.

In this newsletter you will find the complete 2021 charter schedule. The Charter Masters will only start accepting sign ups after our meeting ends on March 2nd. Please remember that our club has a rule that once you are on the charter, you may only get a refund if **YOU** find a replacement for yourself. Of course, we will help if we can. The Charter master, if they have any alternates, will give you the names and phone numbers of the alternates. There are no automatic refunds due to Covid. Sorry our club can't afford losses on charters.

I do hope to see many of you out on the water with your club and enjoying the sport of fishing.

I started fishing with my dad in local lakes starting around age 5 and progressed to saltwater. I have fished all over the US and in several different countries. My wife (Sherry) and I continue to fish as often as possible in our local waters and Mexico.

Social Director, as you well know, with this COVID pandemic, no group park actives are allowed. We're hoping by June or July, will be able to start lunches again. So please sign up to be lunch chairmen's, call me to schedule your favorite luncheon dates.

Helping Hand Program, if you need assistance, in doing, shopping, small chores, errands or some type of help. Please feel free to call Manuel Ontiveros at 559-776-8835.
If you can help provide assistance to others, please let me know.

Manny Ontiveros

In this small report, I'm sorry to report the loss of two members.

First on January 31st a past member who was going to renew this year, passed away.

Many of you may remember Wes Fortney, he lived in El Paso, Texas.

Then on February 6th long time active member Russ Pfaff passed away. Russ was a very active member with our charters and supporter of the OSA Foundation.

Russ Pfaff

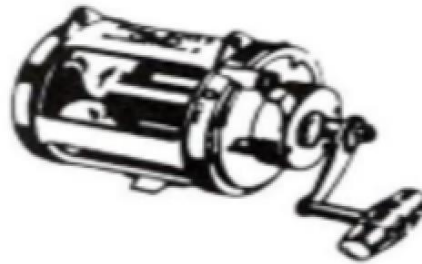

Please keep the families of these two members in your thoughts and prayers. Our deepest condolences go out to their families. They both shall be truly missed.
