Well, we have just about completed the year 2021. Your 2022 Board will be installed at the 2021 banquet on December 8th. As we are coming to the year's end, it's time to please pay your 2022 dues. You may send your dues to Frank Moton, 1204 Las Nubes Ct., San Marcos, CA 92078. Still only \$25 for the year, this included your newsletter via e-mail: if you want a newsletter mailed to you add \$15: if you want your directory mailed to you add \$5. You may always pick up your directory at the meeting after they come from the printers. You will find copies of the membership and associates application in this newsletter. Please make your payment payable to "Oceanside Senior Anglers" or "OSA". To ensure that you're in the 2022 directory, your dues must be paid by December 31, 2021.

As a club we are getting back to our normal. We had club meetings all year, whether by zoom and /or in person. We had our monthly social events, all our charters and we participated at the Oceanside Harbor days this year as well. We also added new members, both senior and associate members. So this shows that your club is going to survive!!!!

With some new blood being added to the 2022 board, I know that we will be working hard again to provide a great program and strive to grow our club even more. This will happen with you, joining in and supporting your club in, social events, charters and meetings. I hope and pray to see many more of you at the next meeting.

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Our charter for December 20-22, 1.5 day, has six open spots. This charter is aboard the Relentless and the cost is \$300, meals are included. I am taking sign-ups right now. So if you want to select your bunk, call me right away 760-450-7060 or come to the meeting on December 7th. At this time I am still working on securing dates for all our club charters.

Again, it's time to start lining up Charter Masters for this coming year. If you would like to be considered to be a Charter Master for next year, please contact me now. Please, we need volunteers to step up. This is a great opportunity for getting experience with your club and also supporting your club. If you attend the training course and are selected to be a Charter Master, then you will be the first ones to see the full charter schedule and sign-up on the charters that you want first.

If you have any questions, suggestions or concerns, please feel free to call or e-mail me any time. Now let's get ready for the winter season.
