I'm asking that you, our members, please come to our club meetings. Also, please support the social activities. Your Board has been working hard to maintain a good program for our club, so please support it. Thank you. Our Social Director, Manny Ontiveros is trying hard to find someone to chair a November picnic. If you would like to chair the event, please contact Manny at 559-776-8835. He is also getting all geared up for our December 2021 Recognition Banquet, and is taking sign-ups for the dinner now.

At our September meeting we will be having the election for Head Charter Master. In November we will be having the elections for: President, Vice-President, Secretary and Treasurer.

Apparently our banquet coincides with another club this year. I'm sorry that it happened. I'm a member of the Oceanside Senior Anglers only. I only look at our schedules. If you're a member of more than one club, perhaps you could inform our board and the other club's board of conflicts as soon as you notice them. Unfortunately, OSA can't change our banquet date. We have already paid for the location and they are totally booked.

Come out and have some fun! If you have any comments, suggestions or concerns, please feel free to call or e-mail me. Hope to see you at our Sept meeting. Please be careful & stay safe.

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Have you been watching the fish counts? The Dorado are heavy this year and not too far out. Along with Tuna and Yellowtail are being caught and not too far off shore as well. Our latest charter was a full day. We are aboard the Voyager and what a trip. The charter limited out with Dorados and also landed 10 Yellowtail. We had members, John Marinello & Lynn Howell, catch their first Dorados ever. We had members, Daryl Evans & Jim Mauritz, hand off some Dorados to other Anglers. Congratulations to jackpot winner Mike Forward with his 14.5 lb. Yellowtail. A thank you to Charter Master Marshall Goddard and his assistants, Lynn Howell and Daryl Evans for a job well done!

We still have a few charters coming up this month that need help in getting filled. Sept 6th a 1/2 day of Calico fishing, has 7 openings, the cost is \$63: please contact Charter Master Jim 760-450-7060. Then on the 21st we have a full day, there are 9 open spots and the cost is \$198: please contact Charter Master Bill Modi 760-580- 3254. Finally to end the month on the 23rd is a 3/4 day, there are 10 open spots, cost is \$76: please contact Charter Master George Ruble 760—458-4741. So please, I'm asking for your help in getting these charters filled. Please ask your friends, neighbors and family members. I know with your help we can get these charters filled.

We also need to work at filling our October charters. We have a full day on the 7th and a 2 ½ day, the 18th-21st. They both have a few open spots. So please, let's get our charters filled and get out and enjoy the sport of FISHING!

If you ever have a hard time contacting a Charter Master to get on a charter, please feel free to contact me. I will assist you in any way that I can. Remember, you can see how many spots are open per charter on our web-site under "Fish'n News".

I try to update the schedule at least twice a month.

If you have any questions, please feel free to call or e-mail me any time. Now let's all go fishing and have a great time!
