I was so pleased to hear what a beautiful Celebration of Life Ed Dennis had. It warmed my heart to know that The Club was so well represented by many members. Kathy was so very touched to see so many familiar faces. I only wish I could have been there to share in this very special celebration and I am truly sorry to have missed it.

As many of you may have heard, the Ocean Hills Anglers Club has dissolved. We have picked up 28 members for OSA. Welcome to our club.

I hope everyone had a happy and safe New Year with your families. Let us all enjoy a great year of fishing and social activities as 2023 brings us all closer as friends.

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Unfortunately, we had to cancel our January 2.5 day charter due to weather. As a result of this cancellation, the February charter has been changed from a 1.75 to a 2.5 day trip, departing on Monday, February 20th, returning the 23rd. We will try for the Colonet area. The cost is set at \$633 with a limit of 16 anglers. There are 7 open spots. Passports are required. You may sign-up at the February meeting or by calling me at (760) 450-7060.

The calendar is still in progress. I am hoping the inclement weather is the reason it's been difficult to fill January and February charters so far. If this pattern continues over the next couple months, I may have to reduce the amount of charters that will be available this coming year. I do plan on a partial schedule release at the March meeting.

There are two new rule changes made by the Board starting this year. Our 1st change: Charter Masters will no longer be able to pre sign-up members (excluding charter masters) until their charter is opened at a meeting. Those present at the meeting will have one of the first chances to sign up and select a bunk.

Change #2: Our new Treasurer has requested that a check be made for only one charter. No additional charters on a single check. This request has been granted to the Treasurer.

If you have any questions, suggestions, or concerns for the coming year, please feel free to call or e-mail me any time.

Foundation Report

Hello All,

I hope this New Year is starting out well for you. I would like to remind everyone that we are still taking signups for the Bart Hall show, Del Mar. Event dates are Thursday, February 16 through Sunday the 19th. This an excellent opportunity to see what's new in fishing gear, gather tackle for the upcoming season, and spend a fun time with other club members. If you volunteer a shift at our booth, you will be able to see the show without having to purchase an entry ticket. Please contact me Kelly, at (760) 806-9752. I thank you for your anticipated support.

**Best wishes to all,
Kelly Kissinger**
