

OCEANSIDE SENIOR ANGLERS

Fish Tales October 2023

Editor Leslie Ruble

Hello fellow Members,

Our next meeting is on **Tuesday October 3, at 9:00 AM**, at the Oceanside El Corazon Senior Center. The address: is 3302 Senior Center Drive, Oceanside, CA. Due to some difficulties, the meeting will NOT be on zoom this month.

At our August board meeting we had to plan on what the dues would be for 2024. Knowing that cost are on the raise continually. For 2024, Associate dues will be increased to \$15, General Membership dues will remain at \$30, mailing of newsletter will increase to \$20, and if you want a directory mailed to you it will be \$5. The month of October is when we start to collect dues for the following year. Also if you know someone who would like to join the club, if they pay now, they get the status of being a member the remaining part of this year as well as for 2024. They will also be included in the 2024 directory. Speaking of the directory, please verify your information and get any and all corrections to Frank Moton, also if you want a photo included you must get one to Frank as well.

This year is wrapping up very quickly. Now we are down to three months left. Remember that nominations are open for President, Vice-President, Secretary and Treasure. If you know someone that is qualified and is will to accept the position, please contact our nominating committee, Kelly Kissinger or Chris Bentley. If you interested in being consider by next year's President for Social Director or Program Director please let me or Kelly know.

Make sure you pay when signing up for picnics. It can be a hardship for event chairmen to have to reach in their own pockets to cover the cost upfront. We need to get back to paying for social events at the time we sign up.

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Well it's official that I am your Head Charter Master again for this coming year. I do believe that there will be some changes in our charters. I want to Thank Chris Bentley for stepping up to be my Assistant Head Charter Master for the year.

Well this season is wrapping up. What a season it's been so far! Being how many of us that fishing for rock fish missed out at the beginning of this year. We went out on August 30th. We went out of Oceanside and we were able to fish 840 plus feet. We all limited out with some excellent Mexican Reds. The jackpot went to Dan Carter with an 8lb Red. Congratulations Dan. It really was fun for all of us that went. I was even told afterwards, that fishing at that depth wasn't all that bad. We are looking forward to that trip next year as well.

There were no trips that were able to go out in this past month of September. Our September 2.5 was postponed until October 2nd. Yes this was due to the weather as well. All the other charters for September were canceled to Club's lack of participation. This shows me that you're all not interested in 1/2 and 3/4 day charters.

I will be trying hard to schedule the Charter Master training course before I leave for home in December. So if you want to be a Charter Master for this coming year please call or email me right away,

If you have any questions, or suggestions for the upcoming year, please call or email me. Please do not text.

Hello all,

We are having a fund raiser were everyone is invited to participate. On Tuesday, October 3, 2023. Please go to the Pit Stop located at 3825 Mission Ave, Oceanside. It's on the corner of Mission Ave and El Camino Real, close to the Oceanside Police Station. All we ask is that you go to the Pit Stop purchase a meal on October 3rd place your receipt in the box next to the register. The Pit Stop is going to donate 15% back to the OSA Foundation. They are open from 8AM – 8PM. See it's very simple. Please ask your family members, neighbors and friends to please go to the Pit Stop on the 3rd as well. The Foundation board thanks you for your support.

Please consider being a member of the Oceanside Senior Anglers Foundation, the dues is only \$5, July 1 thru June 30th. Your paid dues gives you the opportunity to help out with our programs: Anglers for Kids, Anglers for Scouts, and Anglers for Military. The \$5 dues will go towards supporting all three programs. Also give you the privilege to vote on any Foundation elections.

As stated last month, the Foundation is going to have an election for a Director of Anglers for Kids program. Fred Kasmarek has resigned from being the Director of the Anglers for Kids program. So according to the Foundation's by-laws we need to have an election. So nominations are now open until Monday, October 30, 2023. To nominate someone, please contact Kelly Kissinger, Jim Mauritz or Dan Ontiveros Jr.

Please remember that only, Foundation Members will be able to vote.

Thank you,

Special Report

Fallbrook Food Pantry

I want to extend my warmest and gracious thank you to all the OSA Members that stepped up and donated to the Fallbrook Food Pantry in their time of need.

In September, I turned into the pantry 189 pounds of canned goods along with \$950 from our club. The pantry was and is very grateful to the Oceanside Senior Anglers for our help and support. You remember the photos from the last 2 months. Well here are a couple of photos taken September 23 at the pantry.

This pantry not only serves Fallbrook, it serves many communities around the Fallbrook area which included Camp Pendelton. The pantry has been there to help support our club and our program “Anglers for Military”. I thank you for your help & support.

Jim
