

OCEANSIDE SENIOR ANGLERS

Fish Tales July 2024

Editor Jim Mauritz

Our next meeting is July 2nd, at 9:00 AM at the El Corazon Senior Center in Oceanside. Also on Zoom

PRESIDENT'S REPORT

Howdy all,

A delayed Happy Father's Day to all you Papas out there. Our club has had a great June as of this letter. Two very successful charters with Head Charter Master Jim Mauritz and a wonderful meatloaf picnic. We have some club business coming up. A Election Committee Chairman has been selected, this year Ron Sharp will head the elections committee. At our July 2nd general meeting nominations will be opened for all elected positions, Head Charter Master, President, Vice-President, Secretary and Treasurer. Nominations for the position of Head Charter Master will close on August 10th. Then the nominations for the other four elected positions will close on October 10th. You can read the full election procedures that is included in this newsletter. To nominate yourself or someone else you must wait until July 2nd then you may contact Ron Sharp at 951-205-1141 or at ronald.sharp99@yahoo.com This is your opportunity to help set the path of our club for the 2025 year. If you feel a need to see a change then do something about it. Noninvolvement doesn't necessarily give you the right to complain. Some of you newer and those members who've been around need to step up and help out. Being involved and being of service are gifts that are given and resulting in a feeling of gratitude. More on this subject will be shared at our next general meeting on July 2nd.

Stay safe and hopefully enjoying these summer months.

Regards,
Kelly

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

First news of all. If you want or need to call me, I have a new phone number. It is 254-422-4215. The old 760 number no longer works. So please, make this change in your directory and in your phone contacts. Wishing you all and your families a Happy and safe 4th of July.

Well we finally got our first Charter off the docks this past month. We had our extended 1.5 day Charter depart from Sea Center aboard the Blue Horizon, we went out to the San Clemente Island. On Thursday morning we started fishing and we got our limits of rockfish also tried for Yellowtail in the morning and all day. The only person that nailed one was Steve Stump which turned out to break the past record set back in 2016. The new class one record for the Yellowtail is 38lb and was the jackpot for the day congratulations Steve. Day two we were at a different part of the island and we scored on limits of whitefish then we headed home. No jackpot for second day because all the fish are basically about the same size. Then on Saturday the 8th we went out for our second charter for this year. It was scheduled to be for very deep bottom fishing, 800 plus feet which we did. On this trip, the boat was skippered by Second Captain Matt that did a fantastic job and got us on the fish right away once we got out there. We all came home with limits of Rock fish, nice size Mexican reds. We also got a new club one record with a black Gill Rockfish at 5lb. this as well was a jackpot fish, congratulations to returning member Mike Arrington. Full details on these two charter, please see the website and also see the website for photos.

Our next Charter is set to go out July which is full with 12 Anglers our first offshore Charter for the year. If you'd like to be put on as an alternate please contact Bill Modi at 760-580-3254. We have a few charters that need your attention, help & support. Aug 19 & 20 Overnighter and the Aug 16th 3/4 day. Then the Sept 5th and the Sept 20th Full day charters. All of these charters are up on the chopping board. Please, if you're interested or know someone that is interested in getting any of these charters please sign up now. You can find the Charter Master's name and phone numbers on the web-site under "Fish'n News" do not wait. I need to see if we can get these filled please. Have a wonderful and blessed day
