

OCEANSIDE SENIOR ANGLERS

Fish Tales August 2024

Editor Jim Mauritz

Our next meeting is August 6, at 9:00 AM at the El Corazon Senior Center in Oceanside.

PRESIDENT'S REPORT

Hello All,

I hope your summers are going along a nice as mine. Our picnics have been great. I'm have a fun time hanging with Jim Hunter, Dick Reed, Gene Simon and the Ontiveros brothers Dan and Many. We are representing OSA, teaching assorted angling classes at the Scout Camp on Fiesta Island. By the way the camp is run by OSA Foundation president Dan Ontiveros Jr. As you are reading this I've been on Ditto's 3/4 day and have managed a little surf fishing. I'm looking forward to trips later this summer and hopefully see many of you on them.

A big heads up to all. Our rental fees for the Senior Center has climbed up and we will be using only half of the room we are currently in. This is starting at our next general meeting. If you have been coming in by the side door and not the parking lot, you'll be needing to come through the door on the far right. We will also not be coming into the room until 8:30 AM and we must be out by 10:30 AM. If some members can arrive at that time it would be great to give John DeWitt and Gerry Graf help loading in their treasures. Looking forward to seeing you all, stay safe.

Regards,
Kelly

HEAD CHARTER MASTER'S REPORT

Hello fellow Anglers,

Well we had another trip go out this past month. I like to thank Charter Master Bill Modi for job well done. This charter did head down south into Mexico. Basically we patty hopped around looking for the right patty. We found a few and worked hard and getting the fish we did. Congratulations to the jackpot winner Roy Sheetz for about a seven pound Dorado. For the full report of this charter please see our website using the tab "fish'n news".

I've talked with Captain Mikey about the overnight for August 19th-20th. I have another week or so to try to get this filled. Things are looking up so please consider jumping on this charter right away. The cost is \$310 departs on the 19th returns on the 20th. Again this is looking for tuna, Yellowtail and Dorados. Please contact Charter Master Doug Jenkins at 650-291-8474. This is the only over-night or full day charter with open spots. We need 9 more Anglers.

The full day charter that was set for October 8th has been canceled. The new owner of the Voyager is sticking to the contracts without working with us and so the 90 days were up and I had no choice but to cancel that charter.

We still have plenty of room on the 3/4 day charters for this year. The August 26th has 2 open spots and the September 16th has 8 open spots please contact Richard Reed at 530-313-8884. These 3/4 day charters are 100% in shore fishing. The our September 2.5 day and October 2.5 day charters each has pne open spot left on them.

I'd like to clear something up that I've received some inquiries about. On our 3/4 day charters we have a \$200 galley minimum. The words gotten around that they have never seen this done before. Well this is a standard practice with many private charters, this is to ensure that the galley earns some money. So this is common and normal. So what we're going to do is when you're checking in the Charter Master will collect \$10 and this will go towards your galley. This will ensure that the club is not stuck paying any fees if we do not hit the \$200. The \$200 should be met with no problem. So with a \$10 credit, this means you can go into the galley and have breakfast, burger, beer, water, soda & snacks, and you have \$10 already paid in towards that. This \$10 is for the galley not fish cleaning. So if you have any further questions about this please give me a call. 254-422-4215.

HEAD CHARTER MASTER'S REPORT Cont.

As I'm sitting here right now putting this newsletter together we have a 3/4 day charter leaving this morning out of Oceanside. I would really like to thank member Nicole Simpson who paid for her spot on that charter couldn't make the trip. She chose to send a wounded warrior rather than getting her refund. Thank you Nicole, it's highly appreciated, bless you. Please remember that if you decide you'd like to send a marine all you have to do is call me and I can have that done.

I was just there in California for the July charter and stuck around for the social. It was great seeing the members that were there. I was asked "what was my opinion on why the count of members at the social was down". Great question, I just really don't know. So what is your opinion? What would it take to get you to come to a social event? Please let any board member know. Thank you.

Okay, you all know that the Head Charter Master's position is up for election. If you would like it, I'm willing to step up for another year. I'm capable to complete my duties from home. It's your choice.

Again, please note my new phone number, 254-422-4215. Still the same email address.
